

# On vacation and need a sitter?

For one night or your whole vacation, I am here to help!

Hi! My name is Julia Brodsky, I'm 16 years old, and I would absolutely love to babysit your kids! I have had many years of experience and I've taken the babysitting/home alone course. I adore spending time with children and I love to invest my time in them because I believe they have so much to offer the world. I volunteer at my church watching the kids in both the Treehouse and the Nest while their parents are at the service. I also volunteer tutoring children after school at the parks and rec. department. I'm available most weekdays after 4:30 and I'm free mostly all day and night on weekends. I live on Oak Island but I can come to Southport or BSL if you need. I am very trustworthy and responsible. If you need a references, call me and I would love to give you their numbers. I'm looking forward to spending time with your children, while having fun at the same time!
